

USE NATURAL GAS

Natural Gas

Is the IDEAL FUEL for cooking and heating purposes. It is clean, convenient and inexpensive. Natural Gas affords splendid light for the home or office, and the cost is a mere trifle. We are always ready and willing to make any extension of gas mains necessary, or other needed improvements in order to give the public the RIGHT KIND OF SERVICE.

Efficient service is what we try to give the public. We are desirous of expressing our appreciation to our patrons for their business and are willing to co-operate and render every possible aid in order to maintain a high standard of efficiency.

Our Facilities have been extended to insure greater quantity of gas wherever it has been found.
